2-13-2023; File reviewed, more current MSDS/SDS not available, JMC

SA-09468

Ca Prop 65 - This product does not contain any chemicals known to the State of California to cause cancer, birth defects, or any other reproductive harm.

Section 3	Composition / Information on Ingredients				
Nommé Chimique	# CAS	%	EINECS		
Copper shot	7440-50-8	100%	231-159-6		

Section 4 **First Aid Measures**

INGESTION: MAY BE HARMFUL IF SWALLOWED. Call physician or Poison Control Center immediately. Induce vomiting only if advised by appropriate medical personnel Never give anything by mouth to an unconscious person.

INHALATION: HARMFUL IF INHALED AS FUME. Remove to fresh air, If not breathing, give artificial respiration, If breathing is difficult, give oxygen. Get medical attention. EYE CONTACT: MAY CAUSE IRRITATION. Check for and remove contact lenses. Flush thoroughly with water for at least 15 minutes, lifting upper and lower eyelids occasionally. Get immediate medical attention.

SKIN ABSORPTION: MAY CAUSE IRRITATION. Remove contaminated clothing. Flush thoroughly with mild soap and water. If irritation occurs, get medical attention.

Section 5 **Fire Fighting Measures**

Suitable Extinguishing Media: Use triclass, dry chemical fire extinguisher. Do NOT use water on fire where molten metal is present.

Protective Actions for Fire-fighters: In fire conditions, wear a NIOSH/MSHA-approved self-contained breathing apparatus and full protective gear. Use water spray to keep fire-exposed containers cool.

Specific Hazards: During a fire, irritating and highly toxic gases may be generated by thermal decomposition or combustion. Molten metals produce fume, vapor and/or dust that may be toxic and/or a respiratory irritant. Metal reacts with oxidizing agents.

Section 6 **Accidental Release Measures**

Personal Precautions: Evacuate personnel to safe area. Use proper personal protective equipment as indicated in Section 8. Provide adequate ventilation.

Environmental Precautions: Avoid runoff into storm sewers and ditches which lead to waterways.

Containment and Cleanup: Sweep or vacuum up and place in a suitable container for proper disposal. Wash spill area with soap and water.

Section 7	Handling & Storage	中で一個種などです。					Page E2 of E2
adequate ventilation. Handling: Use with	ner before using. Do not wear o . Wash thoroughly after handlin adequate ventilation. Avoid con wash clothing before reuse.	g.					
Storage: Store in a d	cool, dry, well-ventilated area aw	vay from incompa	tible substances.				
Section 8	Exposure Controls / Pers	onal Protection					
Exposure Limits:	Chemical Name	Cu	ACGIH (TLV) TWA: 1 mg/m ³		OSHA (PEL) TWA: 1 mg/m ³		NIOSH (REL) TWA: 1 mg/m ³
